## **4 THE ACT**

- 4.1 The Act grants a requester access to records of a private body, if the record is required for the exercise or protection of any rights. If a public body lodges a request, the public body must be acting in the public interest.
- 4.2 Requests in terms of the Act shall be made in accordance with the prescribed procedures, at the rates provided. The forms and tariffs are dealt with in the Regulations to the Act.
- 4.3 An official Guide has been compiled which contains information to assist a person wishing to exercise a right of access to information in terms of PAIA and the Protection of Personal Information Act (No. 4 of 2013) (“POPIA”). This Guide is made available by the Information Regulator (established in terms of POPIA) in all official languages. Copies of the updated Guide are available from website of the Information Regulator (at <https://info regulator.org.za/>) and the Information Officer free of charge. Any request for public inspection of the Guide at the office of the Information Officer or a request for a copy of the Guide from the Information Officer must substantially correspond with Form 1 of Annexure A to Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations. Please refer to Annexure C. A copy of the Guide is available in the following two official languages, for public inspection at the office of the Information Officer, during normal office hours: English and Afrikaans.

## **5 ACCESS TO RECORDS HELD BY THE CITADEL GROUP**

Records held by the Citadel group may be accessed on request only once the requirements for access have been met.

A requester is any person making a request for access to a record of the Citadel group and in this regard, the Act distinguishes between two types of requesters:

### **Personal Requester**

A personal requester is a requester who is seeking access to a record containing personal information about the requester. Subject to the provisions of the Act and applicable law, the Company will provide the requested information, or give access to any record with regard to the

requester's personal information. The prescribed fee for reproduction of the information requested will be charged by the Company.

### **Other Requester**

This requester (other than a personal requester) is entitled to request access to information pertaining to third parties. However, the Company is not obliged to grant access prior to the requester fulfilling the requirements for access in terms of the Act. The prescribed fee for reproduction of the information requested will be charged by the Company.

## **6 REQUEST PROCEDURE/FORM OF REQUEST**

### **6.1 Completion of the prescribed form**

- 6.1.1 Any request for access to a record in terms of PAIA must substantially correspond with Form 2 of Annexure A to Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations and should be specific in terms of the record requested. Please refer to Annexure A.
- 6.1.2 A request for access to information which does not comply with the formalities as prescribed by PAIA will be returned to you.
- 6.1.3 POPIA provides that a data subject may, upon proof of identity, request the Company to confirm, free of charge, all the information it holds about the data subject and may request access to such information, including information about the identity of third parties who have or have had access to such information. A data subject is defined in POPIA as a person to whom personal information relates.
- 6.1.4 POPIA also provides that where the data subject is required to pay a fee for services provided to him/her, the Company must provide the data subject with a written estimate of the payable amount before providing the service and may require that the data subject pays a deposit for all or part of the fee.
- 6.1.5 Grounds for refusal of the data subject's request are set out in PAIA and are discussed below.
- 6.1.6 POPIA provides that a data subject may object, at any time, to the processing of personal information by the Company, on reasonable grounds relating to his/her particular situation, unless legislation provides for such processing. The data subject must complete the prescribed form attached hereto as Annexure E and submit it to the

Information Officer at the postal or physical address or electronic mail address set out above.

6.1.7 A data subject may also request the Company to correct or delete personal information about the data subject in its possession or under its control that is inaccurate, irrelevant, excessive, out of date, incomplete, misleading or obtained unlawfully; or destroy or delete a record of personal information about the data subject that the Company is no longer authorised to retain records in terms of POPIA's retention and restriction of records provisions.

6.1.8 A data subject that wishes to request a correction or deletion of personal information or the destruction or deletion of a record of personal information must submit a request to the Information Officer at the postal or physical address or electronic mail address set out above on the form attached hereto as Annexure F.

## 6.2 **Proof of identity**

Proof of identity is required to authenticate your identity and the request. You will, in addition to this prescribed form, be required to submit acceptable proof of identity such as a certified copy of your identity document or other legal forms of identity.

## 6.3 **Payment of the prescribed fees**

6.3.1 There are two categories of fees which are payable:

6.3.1.1 The request fee: R140

6.3.1.2 The access fee: This is calculated by taking into account reproduction costs, search and preparation costs, as well as postal costs. These fees are set out in Annexure B.

6.3.2 Section 54 of PAIA entitles the Company to levy a charge or to request a fee to enable it to recover the cost of processing a request and providing access to records. The fees that may be charged are set out in Annexure B of Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations. Please refer to Annexure D.

6.3.3 Where a decision to grant a request has been taken, the record will not be disclosed until the necessary fees have been paid in full.

## **7 DECISION**

- 7.1 Requests will be processed within 30 (thirty) days, unless the request contains considerations that are of such a nature that an extension of the time limit is needed.
- 7.2 The Information Officer will inform the requester of the decision, and the fees payable (if applicable) on a form that corresponds substantially with Form 3 of Annexure A to Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations.
- 7.3 Should an extension be required, you will be notified, together with reasons explaining why the extension is necessary.

## **8. GROUNDS FOR REFUSAL OF ACCESS AND PROTECTION OF INFORMATION**

- 8.1 There are various grounds upon which a request for access to a record may be refused. These grounds include:
- the protection of personal information of a third person (who is a natural person) from unreasonable disclosure;
  - the protection of commercial information of a third party (for example: trade secrets; financial, commercial, scientific or technical information that may harm the commercial or financial interests of a third party);
  - if disclosure would result in the breach of a duty of confidence owed to a third party;
  - if disclosure would jeopardise the safety of an individual or prejudice or impair certain property rights of a third person;
  - if the record was produced during legal proceedings, unless that legal privilege has been waived;
  - if the record contains trade secrets, financial or sensitive information or any information that would put the Company (at a disadvantage in negotiations or prejudice it in commercial competition); and/or
  - if the record contains information about research being carried out or about to be carried out on behalf of a third party or by the Company.
- 8.2 Section 70 of PAIA contains an overriding provision. Disclosure of a record is compulsory if it would reveal (i) a substantial contravention of, or failure to comply with the law; or (ii) there is an

imminent and serious public safety or environmental risk; and (iii) the public interest in the disclosure of the record in question clearly outweighs the harm contemplated by its disclosure.

- 8.3 If the request for access to information affects a third party, then such third party must first be informed within 21 (twenty one) days of receipt of the request. The third party would then have a further 21 (twenty one) days to make representations and/or submissions regarding the granting of access to the record.

## **9. REMEDIES AVAILABLE IF THE COMPANY REFUSES A REQUEST FOR INFORMATION**

### **Internal Remedies**

The Company does not have internal appeal procedures. As such, the decision made by the Information Officer pertaining to a request is final, and requestors will have to exercise such external remedies at their disposal if a request is refused and the requestor is not satisfied with the response provided by the Information Officer.

### **External Remedies**

A requestor that is dissatisfied with the Information Officer's refusal to disclose information may, within 30 days of notification of the decision, apply to a court for relief. Likewise, a third party dissatisfied with the Information Officer's decision to grant a request for information, may within 30 days of notification of the decision, apply to a court for relief. For purposes of the Act, courts that have jurisdiction over these applications are the Constitutional Court, the High Court or another court of similar status.

## **10. LIST OF APPLICABLE LEGISLATION**

Records may be kept by or on behalf of the Company in accordance with the legislation listed in Appendix 1 attached hereto, as amended from time to time, (some of which may not be applicable to every Company), as well as with other legislation that may apply to the Company from time to time. Such records are available in accordance with the applicable legislation.
